FINDINGS OF FACT

1. Jack Bouchier, D.O., (hereafter "Respondent"), is a licensee of the Board and the holder of License No. 0800.
2. On or about April 20, 2000 the Board received information from Navopache Regional Medical Center that a patient in the Emergency Room had smelled alcohol on Respondent's breath. Respondent began his ER shift at 7:00 a.m. A blood test was performed at approximately 11:30 a.m. which would have calculated the blood alcohol level at 7:00 a.m. to 150 mg per decimeter which would have made Respondent legally intoxicated. Upon questioning Respondent stated that he had drank 7-8 vodka martinis late the night before his 7:00 a.m. shift.
3. On April 21, 2000 the Board's Executive Director issued an Order for Random Urine Drug Screens for Respondent. The Order required Respondent to be tested within sixty minutes of the request.
4. On or about July 22, 1999 Christine Turley, R.N. informed her supervisor, Shelly Jo Shackett, R.N. at Navopache Regional Medical Center that a patient had informed her that Respondent had alcohol on his breath. No testing was done at that time.

5. On or about February 23, 2000 patient M.W. informed hospital staff as well as her personal physician, Brad Chintis, D.O., that Respondent had alcohol on his breath. No testing was done at that time.

6. On or about April 26, 2000 the Executive Director called Respondent at home at approximately 9:00 a.m. and left a message for him to go into testing prior to 11:00 a.m. The Executive Director then called the Navopache Regional Medical Center at 9:05 a.m. to see if Respondent was on duty. Respondent's wife, Darlene Bouchier, D.O. told the Executive Director that Respondent was at home but possibly asleep. The Executive Director then called Respondent at home and left another message for him to call her immediately. Respondent returned the call at approximately 1:30 p.m. and stated would go in for testing now. Respondent had trouble remembering what medication he had taken over the past year until reminded by Board staff. Respondent did admit to prescribing Soma for his wife, which he took occasionally. Respondent went in for testing at 2:30 p.m. and tested positive for alcohol.

7. In public session, the Board voted on April 29, 2000 that Respondent is medically and/or psychologically unable to engage in the practice of medicine and is an immediate threat to the health and welfare of the public.

8. Respondent requested that he enter into a Stipulated Consent Order for assessment and in-patient treatment and having completed such treatment be placed under terms of Probation for a five-year period to include rehabilitation, practice restriction and monitoring. In public session the Board voted on June 10, 2000 that Respondent was medically and/or psychologically unable to engage in the practice of medicine and authorized the Board's Executive Director to sign and issue a Stipulated Consent Order regarding Respondent that follows hereinafter.

CONCLUSIONS OF LAW

1. Pursuant to Arizona Revised Statutes § 32-1800, et seq., the Arizona Board of Osteopathic Examiners in Medicine and Surgery has subject matter and personal jurisdiction in this matter.

2. The Board has the authority to enter into a stipulated order for disciplinary action against a license, pursuant to A.R.S. § 41-1061(D), A.R.S. § 32-1855 and A.R.S. § 32-1861(D).

3. The Respondent engaged in unprofessional conduct as defined in A.R.S. § 32-1854 by violating federal and state statutes and regulations:

(4) Being diagnosed by a physician licensed under this chapter or chapter 13 of this title or a psychologist licensed under chapter 19.1 of this title as excessively or illegally using alcohol or a controlled substance.

(40) Any conduct or practice that endangers a patient's or the public's health or may reasonably be expected to do so.

(41) Any conduct or practice that impairs the licensee's ability to safely and skillfully practice medicine or that may reasonably be expected to do so.

4. Based upon the Findings of Fact set forth above herein, the Board concludes that it has the requisite factual basis and legal authority to order temporary suspension of Respondent's license.
